

SFERC SRL IS ISO 50001: 2018 CERTIFIED

With great satisfaction, since May 2020, SFERC SRL is among the 212 Italian companies certified ISO50001: 2018

A management system certified according to the international standard ISO50001: 2018, allows you to monitor your energy performance, with the primary objective of continuous improvement in energy efficiency, reduction of consumption and use of energy.

In the awareness that business success passes through a responsible economic strategy in which quality, environmental protection, protection of human health and safety, efficient use of energy resources are founded together to maintain competitiveness, consolidate the corporate image and ensure sustainability of the business, the SFERC Management undertakes to:

- use energy efficiently, reducing waste;
- encourage the procurement of energy-efficient products and services with less impact on the environment;
- prevent pollution and minimize the environmental impact.

SFERC SRL, is aware of being a resource for the territory and is committed to respecting the ecosystem to deliver it intact to future generations.

“The world is a beautiful place and worth fighting for”

Albert Einstein
